WRD. BLAST YOUR BRAND

WRD has developed a game that allows us to effectively determine what Brand Personality a business is, and what attributes pertain to that brand. This process is included in our 'Blast Package'. This amazing package, designed especially for businesses looking to take their brand to the next level is jam packed full of value and includes:

- Brand personality identification with our custom developed interactive program
- Concept design, strategy and presentation of a professional logo design
- Design and printing of 1000 full colour double sided business cards with a specialised finish
- Domain name registration
- Design of a 5 page responsive website (additional pages can be added for an additional cost)
- First level hosting of website for a year, as well as set up of a business email address
- Set up and styling of a social media channel of your choice for an online social media presence

save \$1045!
